MDA in  
memory of  
others.

## Your Gift is Special...

Many individuals and groups find great satisfaction in making memorial gifts to MDA.

These gifts not only express regard for loved ones and friends, but in a direct way bring immediate aid to those afflicted with muscular dystrophy and related diseases, and will help continue worldwide research seeking the causes of and cures for these tragic disorders. Your gift will also help enhance public understanding of these serious health problems.

### **Making Your Memorial Gift**

To make your gift, fill out the form on the reverse side and return it with your check or credit card information in the attached envelope.

When your gift is received, an appropriate notification will be sent *immediately* to the person you indicate.

The notification will bear the name of the person remembered by you, and will indicate you have made a gift to the Muscular Dystrophy Association in memory of that person. *The amount of your gift will not be mentioned.*

You, as the donor, will receive our acknowledgement of your gift.

All contributions are deductible for income tax purposes.

To ensure proper notification, please type or print clearly all required information indicated on the gift form on the reverse side.
